

Loudoun Community Midwives...helped me out!

Loudoun Community Midwives
were proud to help parents
Jon Furukawa & Shani Moser and
big sister Kana welcome

Corey Michael

into the world on
August 31, 2004 at 6:18 PM
at Loudoun Hospital Center
8 lbs 7.7 ozs 20 inches

“The entire pregnancy, labor and delivery were so relaxed and "un-medical" thanks to the Midwives. The trio created a joyful and anticipatory atmosphere during each appointment and during what ended up being a *long* labor! We feel so lucky to have discovered the Loudoun Community Midwives, and I look forward to a continued relationship with them for my personal needs.” - Shani Moser
